EVOLUTION

LONDON

1<sup>ST</sup> - 27<sup>TH</sup> JUNE 2025

# WELCOME

**EVOLUTION LONDON IS SET TO OFFER A REMARKABLE EXPERIENCE, SEAMLESSLY BLENDING INDOOR SOPHISTICATION WITH EXPANSIVE OUTDOOR VERSATILITY.**

Located in the picturesque Battersea Park, the venue features breathtaking outdoor spaces that host up to 3,000 guests, making it ideal for summer celebrations, receptions, or networking under the open sky. The outdoor area is beautifully enhanced with festoon lighting and LED features, creating a warm, inviting ambience as the surrounding trees glow with an amber hue.

Guests will enjoy a dynamic setup, including a stylish outdoor bar area with a stretch tent, lounge furniture and outdoor sound system, which can create a vibrant, festival-like atmosphere. This complements the venue's stunning indoor facilities, ensuring a memorable experience under the stars and within its state-of-the-art interiors.

FLOOR AREA

👤 2,800  
CAPACITY

This expansive outdoor venue offers both lush grassy areas and stylish concrete spaces, making it the ideal backdrop for your event.

# BAR AREA

Transform your event with a space that combines modern elegance and vibrant energy. A striking central bar, framed by customisable white-draped trussing and festoon lighting, creates a stunning focal point. LED wash and moving lights set the perfect mood, seamlessly transitioning from refined receptions to lively afterparties. Velvet furnishings, coffee tables, and poseur tables add a touch of style, while two 65" screens ensure smooth event flow. This versatile setting is designed to impress, blending sophistication and excitement for any occasion.

EVOLUTION LONDON SUMMER | 16

# GREEN LEVY

A discretionary Green Levy of 50p per guest has been added to this quote, supporting our sustainability initiatives. This contribution helps offset your event's carbon emissions and funds impactful global and local causes through B1G1, with new projects supported each quarter. You can track the impact of your support via a live dashboard on our website.

Our sustainability pledge aims to reduce carbon emissions by 5% annually, achieve carbon neutrality by 2030, and reach net zero by 2050 through our "reduce, measure, and offset" policy. This optional charge makes incorporating environmental and CSR efforts into your event easy. If you prefer to opt out, simply inform your Sales Manager.

“As a business, we believe that good environmental practice is also good economic practice.”
